

Job Title:

Senior Environmental Consultant

(Ecology Background)

Company: Coyle Environmental

Location: Hybrid

Job Type: Full-time

Experience: Relevant Industry Experience

About Us:

Coyle Environmental, a leading environmental consultancy based in Castlerea, Co. Roscommon, is seeking a highly skilled and experienced Senior Environmental Consultant with a strong background in ecology to join our dynamic team. As an innovative and progressive company, we offer a unique opportunity for individuals who are passionate about environmental sustainability and want to contribute to meaningful projects.

Responsibilities:

- **Ecology Expertise:** Utilise your expertise in ecology to conduct comprehensive Environmental Assessments, ensuring the preservation and enhancement of ecosystems.
- **Legal Compliance:** Demonstrate a deep understanding of Irish Environmental Legislation and Regulations.
- **Team Leadership:** Join our existing vibrant Consultancy Team of dedicated professionals, fostering a collaborative and high-performing work environment.
- **Project Management:** Oversee a variety of projects, including Waste Permitting, Extractive Industry Planning, Discharge Licensing and Environmental Impact Assessment Reports (EIAR).
- **Tender Submissions:** Showcase your strategic thinking and writing skills by preparing technical reports for submissions for Environmental Consultancy Projects.
- **Legislative Framework Mastery:** Possess a strong working knowledge of the legislative framework, including the Habitats Directive, Waste Management Act, Water Pollution Acts and the Planning Regulations.
- **Client Engagement:** Collaborate closely with clients, stakeholders, and regulatory authorities, ensuring effective communication and adherence to environmental standards.

Qualifications:

- **Educational Background:** Bachelor's or Master's Degree in Environmental Science, Ecology, or a related field.
- **Industry Experience:** proven experience in the environmental consultancy industry.
- **Regulatory Knowledge:** In-depth knowledge of Irish environmental legislation and regulations.
- **Project Management Skills:** Strong project management skills with a successful track record of leading and managing teams.
- **Communication Skills:** Excellent communication and interpersonal skills, with the ability to convey complex environmental concepts to diverse audiences.

Benefits:

- Competitive salary
- Opportunities for career progression in a dynamic and ambitious company
- Remote working
- Training and Professional Development programs
- Collaborative and supportive work environment

How to Apply: Interested candidates are invited to submit their resume and a compelling cover letter outlining their relevant experience to info@coyleenv.ie
