

EXPERIENCED ENVIRONMENTAL CONSULTANT

Coyle Environmental Ltd is currently advertising for an experienced Environmental Consultant to join our team.

COYLE ENVIRONMENTAL LTD

Coyle Environmental Ltd are a highly respected and progressive Environmental Monitoring & Consulting practice based in the west of Ireland. For over 20 years we have been providing professional Environmental Monitoring & Consulting Services in Ireland the company has gained a reputation for innovative work practices, cost driven service & client commitment

THE ROLE:

We are looking for an Environmental Consultant to join our team. In this role you will be expected to:

- Have a high level of project management and report writing skills.
- Have an in-depth knowledge of a broad range of environmental issues, fundamental to the preparation of high-quality, environmental reporting
- Ensure compliance with environmental conditions and mitigation measures.
- All aspects of environmental consultancy, with a primary focus on EIA, AA, Waste Permissions, planning applications and trade effluent discharge licence applications.
- Providing day-to-day environmental advice to our clients
- Preparing and/or inputting into environmental reports, AAs and EIARs supporting planning applications
- Managing projects from inception to completion, including interacting with project stakeholders, clients, and both internal and external project team members
- Working collaboratively with clients, colleagues and external consultants
- Liaising with Key Stakeholders such as Local Authorities, An Bord Pleanála etc.
- Project-managing multidisciplinary teams
- Mentoring junior staff

THE LOCATION:

Hybrid option

MAIN SKILLS REQUIRED FOR THIS POSITION:

- A recognised professional qualification in a relevant discipline
- Extensive professional experience in environmental consulting and planning, including EIA, AA and environmental planning
- An excellent understanding of the Irish planning system and environmental legislation
- Proven ability to work as part of planning and design teams
- Strong interpersonal skills
- Ability to respond to tight reporting requirements, deadlines and internal reporting arrangements
- Excellent attention to detail and commitment to high-quality delivery
- Strong communication, report writing and presentation skills
- Knowledge of relevant software, including MS office
- Willingness to learn and to grow professionally
- Initiative, enthusiasm and determination
- Self-motivation
- Fluent/highly proficient in spoken and written English
- Full, Clean Driving licence.

MINIMUM QUALIFICATIONS

- A level 7 degree or equivalent environmental science discipline or similar (or demonstrated appropriate experience)

DESIRABLE

- Project Management qualification
- A relevant post graduate qualification
- H&S training or Emergency First Aid and Safe Pass desirable but training will be provided

WE ARE OFFERING:

- Option of Hybrid working
- Training and career mentoring to support your continued development.
- Excellent remuneration package to the suitable candidate.
